Streamline Your Company's Required Safety Meetings and Access 900+ Job-site Safety Talks!

The new NECA Safety Meeting app is a powerful smart phone and tablet-based tool designed to streamline the process of holding required safety meetings and delivering required job-site safety talks.

Custom report capabilities include:

- When the safety meeting was held; Where the safety meeting was held
- What the safety meeting was about; Who led the safety meeting and
- Everyone who attended! Plus - the app is English and Spanish capable.

Includes hundreds of general safety talks + NECA's customer safety talks for inside and line industries! There's also a useful web portal for the office that allows for efficient company administration of employees and provides real-time accounting of safety meetings held in the field. Developed specifically for NECA Members to provide a consistent, cloud-based, user-friendly platform to efficiently and effectively manage their company's safety meetings and documenting them as required by OSHA.

About the Speaker:

Michael J. Johnston is NECA's Executive Director of Standards and Safety. He holds a BS in Business Management from the University of Phoenix. He's a member of the NFPA Standards Council, Chair of the NFPA NEC Correlating Committee. He served on the NEC Code Making Panel 5 in 2002, 2005, and chair of Code Panel 5 representing NECA for the 2011 NEC cycle.
