Dear Mike,

I would like to ask for your chapter's official endorsement for my race for Mayor of Richmond. I am also seeking financial support in my campaign for Mayor. The Contra Costa Building and Construction Trades endorsed my campaign for Mayor last week, as well as IBEW Local 302. Now is the time for me to gain needed support to win the race. Please consider joining your associates in support of me. A contribution will make a tremendous difference when I am in the Mayor's office fighting for apprenticeships and PLA's for construction projects. I am seeking a \$2,500 contribution for the race. I can tell you that I will never forget the generosity if you can meet that goal.

While on the school board in West Contra Costa:

- I have increased man hours for the Electrical Industry ten fold in our district.
- I was named as the NECA Industry Partner in 2007
- I was instrumental in protecting the rights of union workers when I uncovered that a general contractor was involved in a bid-peddling scheme.
- I helped remove Helix Electric from the school district.
- I helped defeat Prop. 32
- I assisted with the passage of PLA's for other school districts in Contra Costa County.

Your contribution check should be made out to "Charles Ramsey for Mayor of Richmond 2014" and mailed to 3640 Grand Avenue, Suite 200, Oakland, CA. 94530. My campaign ID number is 1359035. My campaign treasurer is Paula Blackwell. If you have any questions contact me at (510) 682-5600. I appreciate the support

Very Truly Yours,

Charles T. Ramsey
