## **NECA APPOINTS NEXT CHIEF EXECUTIVE OFFICER**

BETHESDA, Md.— The National Electrical Contractors Association (NECA) announced that T. David Long has been appointed as Chief Executive Officer (CEO). Long will officially join the NECA staff on April 1, 2019.

“After a national search, the Executive Committee unanimously selected David Long to serve as CEO,” said Larry Beltramo, Chair of the NECA Search Committee and Vice President At Large. “David’s experience as an electrical contractor, his current service as NECA President and his unending dedication to advancing our industry make him the ideal leader for NECA at this important moment in time.”

With more than 40 years’ experience in electrical contracting, Long currently serves as the President of Miller Electric in Jacksonville, Florida. He brings demonstrated experience in strategic planning and organizational growth, as well as leadership and mentorship of substantial teams. A dedicated NECA volunteer, David has held many roles within the association, including serving on the Board of Governors, Executive Committee and Council of Industrial Relations and most recently culminating as President of the Association.

### **Larry Beltramo Named Interim NECA President**

With the selection of David Long as NECA CEO, the NECA Executive Committee has named Larry Beltramo, currently NECA Vice President at Large, as Interim NECA President until a new President is elected at the NECA Board of Governors meeting in September in Las Vegas. Long has notified the Executive Committee that he is resigning as NECA President on March 31, 2019 prior to joining the NECA staff on April 1. Beltramo will become President effective April 1.

According to the NECA Bylaws, when a vacancy occurs in the NECA President position the Executive Committee selects one of its members to become President and an election is held at the next Board of Governors meeting following the vacancy to select a new full-term NECA President. The newly elected President will take office on January 1, 2020. At their June 2019 meeting the Executive Committee will nominate an individual for election as President.

Larry Beltramo is President and COO of Rosendin Electric headquartered in San Jose, California. He has served as NECA’s Vice President at Large since January 2018 and was chair of the CEO Search Committee.

# **NECA Releases Guide to Incident Investigations**

Now available at [NECAStore.com](http://NECAStore.com), NECA's Guide to Incident Investigations (5026-18) looks at techniques to research and determine what actions should be implemented after any incident or accident, ensuring compliance with regulations and requirements.

“By following the information found in this guide, employers and supervisors can seek to avoid similar occurrences in the future,” said NECA Director of Safety Wesley L. Wheeler.

NECA members can purchase the printed guide through the NECA Store for \$25, or as a resource kit for \$100. NECA Digital Resources kits includes a training PowerPoint, a PDF copy of the guide and any forms or checklists that are associated with the guide.

## *Notice to Employers Signatory to the Sound & Communication Agreement*

On November 30th of this year (2019), our Northern California Addendum to the Ninth District Sound and Communication Agreement with the IBEW will expire. The Chapters intend to negotiate a successor agreement that will be binding to all employers signed to a Letter of Assent. The process begins in late summer and should conclude by the end of November. The new agreement will become effective December 1, 2019.

As a practical matter, this is not an issue for most of our employers. However if you intend to terminate your relationship with the IBEW, you must do so in a timely manner by notifying the union of your intention. For employers signed to a Letter of Assent A, separate notifications must be sent to the Chapter and to the Local Union prior to the end of June. For employers signed to a Letter of Assent B, the notification to the Local Union must be sent prior to July 20, 2019. Since bargaining is a complicated legal process, an employer choosing to terminate should not do so without competent legal counsel.

If you have any items you would like addressed during negotiations, we encourage you to relay your concerns to Mike Geller at the Chapter office.
